

## **Questions to Ask the Family**

- When you were a kid, what did you see when you looked out your bedroom window?
- Between the ages of 5-10 years, what was your favorite thing to do?
- What made you mad when you were a kid?
- When you were young, where did the food you ate for dinner come from?
- What did you hate to wear when you were a kid, but did anyway because your parents made you?
- When you were young, where did you most like to be?
- What scared you most about your basement when you were a child?
- What life lesson did it take you the longest time to learn?
- What other family member are you most like? (No names, please. Just list her/his relationship to you, eg. uncle, sister, son, mother, etc.)
